DYN-ERGO Scoot Chair

The **DYN**amic solution for safer mobility,
ERGOnomie positioning, and improved comfort.

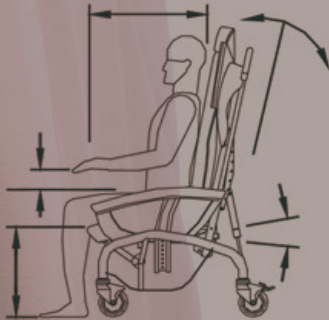

SAFETY, MOBILITY, POSITIONING, AND COMFORT.

Designed to reduce the risk of falls for wheelchair users who propel themselves with their feet, the *DYN-ERGO Scoot Chair* safely and comfortably facilitates independent mobility. A complete range of adjustments including armrest height, seat depth, recline angle, and tilt angle make it easy to achieve proper positioning while providing comfortable and safe independent mobility.

STANDARD FEATURE :

- Adjustable seat height.
- Adjustable seat depth.
- Adjustable recline angle seat to back.
- Adjustable armrest height.
- Adjustable tilt angle.
