

◀ Chairs feature moisture-impermeable fabrics and a removable chaise cushion for thorough cleaning and disinfecting. Fabric choices include Crypton, Leatherette, and COM.

Controller

▲ Wall-Hugger design requires only 2" of wall clearance, uses less floor space and protects walls from costly, unsightly damage.

◀ The hand-held controller permits left hand, right hand, or attendant operation.

Two-Pillow Back

Bolster Back

Available in Two-Pillow or Bolster Back style, *Optima Lift Chairs* are specially designed and sized for healthcare facilities.

Special thanks to
Epoch Center - Plymouth, MN
for location photography

All the healthcare features you need in a Lift Chair:

- **Cleanability...** impermeable fabric covers all surfaces, even underneath the removable chaise cushion.
- **Safety...** chaise leg rest covers recliner mechanism. No pinch points, wide stable base.
- **Wall-Hugger design...** only 2" clearance needed.
- **Crypton, Leatherette, or COM fabrics.**
- **Wheels for moving and cleaning...** automatically disengage before the chair lifts.
- **Exceptional durability.**
- **Meets CA 117, uses HR Foam.**
- **Hand-held controller.**
- **Whisper quiet, heavy-duty DC motor with battery backup.**

Optima

DESIGNED
ESPECIALLY
FOR HEALTHCARE
FACILITIES.

Everything about the *Optima Lift Chair* is made with today's busy healthcare facility in mind. It's removable chaise cushion and moisture-impermeable fabric make the *Optima Lift Chair* easy to clean and disinfect. Wheels for moving the chair and a compact wall-hugger design let you place the *Optima Lift Chair* where ordinary reclining lift chairs won't fit. The hand-held controller permits left hand, right hand, or attendant operation. A variety of Crypton and leatherette fabrics compliment any décor. *Customer's Own Material (COM)* also available.

Safety and durability issues are answered with a full chaise leg-rest that covers the recliner mechanism, pinch-point-free design, a wide extra-stable all-steel base, a hefty 375 lb. lifting capacity, CA 117 compliant construction, HR Foam, Heavy-Duty, UL Approved DC Motors, and a lifetime limited warranty on the lift mechanism. The *Optima Lift Chair* ... it's the one that meets your facility's specs.
